United Nations Investigation of New Orleans' Housing Crisis

Town Hall Meeting, Sunday, July 26th
5-8pm McDonogh #42 Elementary (Charter) School
1651 N. Tonti St.

During the fact-finding mission between July 26th and July 31st, independent experts from the UN Advisory Group on Forced Evictions will travel to affected communities across the city, focusing on three principal issues: the demolition of public housing; the displacement of Mid City residents to make way for the Louisiana State University hospital; and growing homelessness.

Residents will also share their experiences of forced eviction and their vision for a rebuilding process at a Town Hall meeting with the Advisory Group on Sunday July 26th.
